## Set up de nuestro organization

The screenshot shows the GitHub organization page for 'example-example-example-example'. The header includes the GitHub logo, a search bar, and navigation links for Pull requests, Issues, Marketplace, and Explore. The organization's name and a green pixelated logo are displayed. Below the organization name, there are tabs for Repositories, Packages, People, Teams, Projects, and Settings. The 'Repositories' tab is active, showing a message: 'This organization has no repositories.' with a green button to 'Create a new repository'. To the right, there is a 'People' section showing one member and an 'Invite someone' button. The footer contains copyright information and various links like Terms, Privacy, Security, Status, Help, Contact GitHub, Pricing, API, Training, Blog, and About.
